

XVII SPCMIN CONGRESS

October 24 | Thursday

PROGRAM AT A GLANCE | AUDITORIUM

8:30 C.O & Videos

10:00 Live Surgery - Robotics

12:00 Opening ceremony
Keynote lecture from congress president: Preserving today, ensuring tomorrow: sustainability in minimally invasive surgery

13:00 Lunch

14:45 Innovations/Robótica

- The Future Operating Room: Innovations and Technologies Shaping Surgical Environments
- “Post tenebras lux”, The light after darkness
- Surgical Precision: Harnessing Artificial Intelligence in Modern Healthcare
- Empowering Women’s Health: Unveiling the Role of Robotics in Gynecologic Surgery

16:00 Symposium: Revolutionizing system to reduce entry complications in MIS

16:45 Conference: Are there limits for robotic surgery: a liver transplantation history

17:15 Advancing Care: Metabolic/Endocrine Minimally Invasive Surgery Innovations

- Exploring Endoscopic Sleeve Procedures: Advancements in Minimally Invasive Weight Loss Treatments
- Choosing the Path: Assessing One-Step vs. Two-Step Approaches in Bariatric and Abdominal Wall Surgeries
- Innovations in Surgery: Endoscopic Thyroidectomy Techniques and Outcomes
- Bariatric Surgery at the Forefront: Unveiling State-of-the-Art Techniques and Innovations

XVII SPCMIN CONGRESS

October 24 | Thursday

PROGRAM AT A GLANCE | PARALLEL ROOMS

8:30 C.O & Videos (Room 1, 2, 3, 4)

10:00 Sociedade Portuguesa Interdisciplinar de Laser Médico/SPCMIN Session (Room 2)

10:00 Pediatric Surgery Workshop (Room 3)
Anorectal and Sacrococcygeal Diseases

- Outpatient approach to Sinus Pilonidalis: case series from a Pediatric Surgery Unit, tips and tricks
- Tips and Tricks in minimally invasive surgery for sinus pilonidalis
- Stem cell treatment for perianal fistula in Inflammatory Bowel Disease
- Round table / Q&A
- Innovating Minimally Invasive Surgery in the Pediatric Setting
- Surgical treatment of Pectus excavatum
- Revisiting the Nuss technique | Cryoanalgesia
- Pectus Up
- Main Conference and Lunch break

14:45 Neuromodulation Course (Room 1)

14:45 Workshop Gynecology (Room 2)
"Exploring Innovations and Technical Expertise in Minimally Invasive Gynecological Surgery":

- Endometriosis
- Ovarian Cancer
- Uterine Isthmocele
- Radical Hysterectomy in cervical cancer
- Reproductive surgery: Hysteroscopy

14:45 Pediatric Surgery Workshop (Room 3)
Minimal Invasive Urology
Endourological options in JUV obstruction

- Endoscopic treatment of RVU
- Robotic Surgery for SJPU

Round table / Q&A

14:45 WS SPCMIN/APCiR (Room 4)
Robotics Practical Masterclass – Patient instalation

XVII SPCMIN CONGRESS

October 25 | Friday

PROGRAM AT A GLANCE | AUDITORIUM

8:30 C.O & Videos

Cutting-Edge Innovations in Minimally Invasive Oncologic Surgery

- Precision at Play: Robotic Approaches to Kidney Tumor Resection
 - Unveiling Hope: PIPAC in the Management of Peritoneal Disease
 - 10:00 • The Latest Advances in Surgical Management of Pancreatic Cancer
 - Colorectal – Empowering Innovations: Exploring the Cutting-Edge Robotic Techniques in Colorectal Cancer Treatment
 - Navigating Excellence: Minimally Invasive Surgery Techniques in Gynecologic Oncology
-

11:30 Conference:
Revolutionizing Reproductive Medicine: The Frontier of Uterine Transplantation Through Minimally Invasive Surgery

12:00 The Best

13:00 Closing Conference

- Precision and Innovation: The Journey and Value Analysis and Practical experiences of 5,000 Robotic Surgeries

XVII SPCMIN CONGRESS

October 25 | Friday

PROGRAM AT A GLANCE | PARALLEL ROOMS

8:30 C.O & Videos (Room 1, 2, 3, 4)

08:30 Workshop SPCMIN/APCiR (Room 3)

10:00 My worst nightmare with Happy Ending session (Room 1)

- Bariatric surgery
- Vascular surgery
- Urology
- Hernia
- Colorrectal

10:00 CUSA: New Applications augmenting efficiency and safety in Minimally Invasive Surgery (Room 2)

11:30 Stitching Innovations: Exploring the Impact of Barbed Sutures in Minimally Invasive Surgery (Room 2)

XVII SPCMIN CONGRESS

October 25 | Friday

PROGRAM AT A GLANCE | POST- CONGRESS COURSES

14:30 Laparoscopic Suturing (Room 1)

Step-by-step by experts (Room 2)

- 14:30
- Cholecystectomy
 - Right Colectomy
 - Fundoplication
 - Inguinal Hernia - Sleeve

14:30 Percutaneous Approaches (Room 3)

14:30 SPCMIN Junior (Room 4)
